Staff Contact for Language Assistants	Bilingual Coordinator Email: juanatato22@hotmail.com
Collaboration subjects of the Language Assistant	- This year, I was assigned as an assistant in math, english, history, biology, and technology
Norms, Resources and Materials for Language Assistant collaboration	<ul style="list-style-type: none"> - There was no learning assistant for the past 3 years, so I have been creating my own material. To do this, I use google slides to create powerpoints, Kahoot, and Plickers. There's also a platform called eXeLearning available, but I haven't tried it yet. - The center has classes from 8:15-2:45, with a break for lunch from 11:15-11:45. There is no cafeteria to buy food but there is a vendor who comes with sandwiches every day at lunch.
Information about the neighborhood and city (video)	<ul style="list-style-type: none"> - Information about Fuente Vaqueros - Information about Granada - Walking Tour of Granada - Fuente Vaqueros is a small pueblo about 20 or 30 km outside of Granada. It's recommended to live in Granada, as there are no other language assistants in Fuente Vaqueros and there are many in Granada; additionally, there's a large community of young people in Granada and many activities and opportunities for one to take advantage of. - Granada is an amazing city for auxes. There are clubs for volleyball, hiking, tennis, soccer, dancing, and more. Personally, I do Spanish classes with Emcyet, soccer club, and dance classes

	<p>with Javi. Granada is a very lively city with much to do, and the size is perfect; you can get to wherever you want to go via walking, or the impressive bus system. The city can be described as the largest small city you've ever been in - it's very accessible and intimate.</p> <p>- The group that helped me find my feet the most was Emycet. They are a group for young people in Granada that offer trips, meetups, parties, Spanish classes, and more. Here's the link to their Facebook page: https://www.facebook.com/Emycet/?locale=es_ES</p>
<p>Getting to school</p>	<p>- I do rideshares with teachers in the afternoons and use the bus in the mornings. I have a green transport card, and so the buses normally cost 0.66 euros. You can buy transport cards at any tobacco shop, and there are a lot in Granada. There are two buses that go to Fuente Vaqueros from Granada, the 0335 and the 0336. They leave Granada every hour on the hour and leave Fuente Vaqueros every hour 15 minutes after the hour.</p>
<p>Accommodation (vídeo) - Where to live in town? - Possibility of staying with a family? - Possibility of sharing a flat with other teachers or language assistants?</p>	<p>https://www.idealista.com/ This website is what I initially used, but since I came late, I had to use a renter's company to find my apartment. The company I used is called inmobiliaria PMI, but there is also a company called Grupo Torres, and more. They advertise heavily and are easy to find, and they will find you an apartment quickly; the downside is that they charge a month of rent for their services once you've found an apartment.</p> <p>https://emycetviajes.com/ Emycet Viajes (the group that I highly recommend getting in contact with) also helps with finding apartments to rent. They are an Erasmus group.</p>
<p>Contact with other language assistants or mentor</p>	<p>There are many Facebook groups each year for auxiliars. Here are a few that I used to answer questions I had with the application process: https://www.facebook.com/groups/spinauxies https://www.facebook.com/groups/AuxiesAndalucia</p> <p>- Contact info: Andrew +1 425 985 3711 From the United States Participated in 2022-2023 I can help the aux that comes to Fernando de los Rios next year. I can add them to the existing groups for auxes if they text me.</p>
